3. **HIIT' s strategy process**

The task group Thomas Wilhelmsson, Mauri Airila, Jukka Paakki and Olli Simula will present the proposal of HIIT' s new organizing method and the host university.

**Attachment 3:** Proposal of New HIIT

**Presenter:** Mauri Airila

**Proposal:** For information. Discussion of the proposal. Approve as proposed.

**Resolution:** Noted. Discussion about the proposal. New HIIT will come into operation January 1 2009. The task group considered three years transition period necessary to establish the operational preconditions for New HIIT. The road-map specifies the measures to be taken during the transition period.

Raimo Vuopionperä from Ericsson opposed the annual contribution which is supposed to tie up industry in HIIT' s operation. Harry Herlin from Nokia agreed with Vuopionperä. Herlin was also disappointed with the transition period.

In consequence of the discussion the proposal was revised as follows: the annual contribution and the need to update the ordinance of HIIT during the transition period were eliminated. In addition the role and the operation mode of Scientific Advisory Board (SAB) should be specified. The revised proposal was approved. Harry Herlin expressed a dissenting opinion.

4. **To prolong the Director of the Advanced Research Unit' s term of office**

HIIT' s \_director of the Advanced Research Unit Martti Mäntylä' s term of office will expire 31 July 2005. It is proposed that the term of office would be prolonged until end of year 2005.
